My first involvement with dog shows came round in 1995 when I started showing Chihuahuas and English Setters for my now parents-in-law of "Gibeltarik" fame, a small show kennel based in Gibraltar. Fascinated by the showing and breeding for show aspect of the dog sport, I started adding my passion and opinion into the breeds by mating the dogs which I thought would produce the nicest pups.

I participated actively in Junior Handling competitions in Europe winning many top positions in various countries. In 1998 and '99 I represented Gibraltar at the Crufts International Junior Handling Competition.

I have bred/handled over 40 dogs to their Championships, Group and Best In Show placings. Additionally, I have had the pleasure of attending what I consider the major events of the year every year, these are the World Show, European Show and Crufts. With Chihuahuas, I try to show them in the United Kingdom as frequent as possible and enjoy attending their Club Specialities where I have won many BISS. I have had the honour of winning BOB and the Toy Group at Crufts in 2008 and later BOS with another exhibit in 2010.

Since 2009 I sit as Vice-Chairman in the Gibraltar Kennel Club and Show Manager for its All Breeds International Shows since 1999.
