

## **PROFILE Bob Mushet**

I have bred and exhibited smooth fox terriers under the "Teshum" prefix since the early 1950s and held an all breeds judging licence since 1966. In that time have judged in many locations in Australia, Japan, Taiwan, Hong Kong, USA, and Malaysia. Also the memorable appointment judging smooth and wire fox terriers at the National Terrier Show in England in 1998. My love for Smooths has never diminished and I never felt the need to take on another breed being founding member of the Smooth Fox Terrier Club of Victoria when it originated in 1965. I served as Hon. Secretary of the Smooth Fox Terrier Club of Victoria for over 25 years. I have been gratefully given Life Membership for the Victorian Canine Assoc., Royal Agricultural Society of Victoria, Fox Terrier Club of Victoria as well as our own Smooth Fox Terrier Club of Victoria.
