

Our Championship Show judge MRS. PATRICIA BROOM (Roxway)

SMOOTHS have been part of my family for more years than I care to remember! My mother, Mrs Phyllis Strong, had Smooths from an early age. I showed my first dog in the mid 1960s and then went into partnership with my mother and took out our affix ROXWAY in 1974.

I started judging in 1975 and awarded CCs in Smooths for the first time in 1980, and to date have judged at most of the major UK shows including Crufts. I also award CCs in Wire Fox Terriers and Norfolk Terriers and have judged in Germany, Holland, Belgium, Sweden, Finland, France, USA and South Africa. I was President of the Smooth Fox Terrier Association in 1988, Editor of the Fox Terrier Club Year Book from 1978 until 1984 and then became Editor of SFTA Year Book from 1987 and I am still involved with to date. I have served on the Committee of the Fox Terrier Club for over 20 years and currently still a committee member of the Smooth Fox Terrier Association. I am a member of The Kennel Club. Roxway have made up 17 English champions and a number of overseas ones. Our first champion was Roxway Eclat who gained her title in 1978. Her first litter produced Roxway Encore, who was not the best showman in the world, but he sired 3 champions: Eclipse of R. for Jean and Eric Christisson, R. Evita and R. Eglatere. Eclat's second litter produced Ch. Roxway Extreme. In 1980 a Boreham bitch puppy was acquired from Elisabeth Winstanley, Boreham Belinda, and she was the dam of Evita. Evita produced Ch. R. Embargo and Int. Ch. R. Endurance. A daughter of Evita mated to Embargo produced R. Yoxella Wendy. A dog puppy was then purchased from Cherry Davis,

who became Ch. Mosvalley Dessert Orchid of Roxway and winner of the FTC Gold Cup. He was mated to Wendy producing Ch. R. Brief Encounter and Roxway

Trisha with Ch Roxway Eclat

Free and Easy dam of Michael Gray's top winning Ch. Graylag Far and Away. Ch. Roxway Eglatere, from the last litter sired by Encore, was mated to Ch. Bannside Oh Brother and this resulted in Ch. R. Elana, Eglatere's next litter by Shining Example of Roxway, was Ch. Roxway Edina. Ch. R. Elana's first litter sired by the American import Toofox He is my Hero produced Roxway Eisenhower (2 CCs) this mating was repeated and produced Ch R Elfreda. For Elana's final litter she was mated to Dessert Orchid and produced the twins - Ch. Roxway Explorer and Ch. Roxway Extreme Chaos. The final 4 Champions Ch Roxway English Rose at Leconridge owned by Mr and Mrs Derek Graffin produced Ch Leconridge Joy Rider with Roxway, Ch Roxway Fair Exchange with Classicway owned by Mrs D & Miss J Darby and finally I acquired a bitch sired by Ch R Fair Exchange out a Roxway bred bitch - Ch Chipstead Monsoon with Roxway. Norfolk Terriers are now included in the kennel. My mother died in 2002 and sadly did not see the success achieved in the last few years. I know she would have been very proud.
